The Honorable Michael A. Hammer  
United States District Court Magistrate Judge  
District Court of New Jersey

Re: Echegoyen v. U.S. Standard Holdings Trust LLC, et al.  
Civil Action No. 15-6382

Dear Judge Hammer:

In reference to your February 7, 2018, I am sorry to report that the defendants have not yet been able to locate and retain replacement counsel. I am aware of the consequences of this failing but it has not been for lack of trying. A number of attorneys consulted are either plaintiff-side only or were conflicted for one reason or another.

I am respectfully prevailing upon the Court to grant us two more weeks to retain counsel. Our situation is dire and I am pleading with the Court to grant us this one last opportunity. If we are not able to obtain new counsel in this time, I will agree to proceed pro se and the Court will have the opportunity to default entity defendant.

The Court is thanked for your understanding and attention to this urgent request.

Very truly yours,

  
Anders Garcia
